

VIDEO: International Differences in Data Protection: U.S. and Italy

Join Cristiano Cominotto, co-founder and managing partner at A.L. Assistenza Legale, as he delves into international differences in data protection laws in the United States and Italy.

This video covers the robust GDPR in Italy versus the fragmented sector-specific and state laws in the U.S., highlighting their impact on regulatory compliance, data handling, and consumer rights. Learn about the scope, consent requirements, and penalties under these laws, and how businesses can navigate these challenges with expert guidance from A.L. Assistenza Legale.
